TAHA MEDICAL & DIAGNOSTIC CENTER THAKOT-BATTAGRAM

SERVICE TO HUMANITY

TMDC INAUGURATION REPORT

BY: GUL HAMEEM PUBLIC RELATION OFFICER TMDC THAKOT

DATED: JUNE 24 2022

Background:

Taha Medical and Diagnostic Center (TMDC) a legal baby of Social Services Program registered with health care commission on 14th December, 2021 bearing registration number 32224-N.If we look at the three basic socio economic indicators namely health, poverty and literacy, unfortunately Kohistan, Battagram, Kala Daka and two sub divisions of District Shangla namely Besham and Chakesar are at the bottom throughout KP. This was the core reason why social services program management decided to establish such a facility where local communities can reach easily and avail best health care services at affordable price.

Social Services program intends to launch a “telehealth Project” at the same facility and if it worked, will be the first of its kind in our medical history where European/American, Turkish Doctors will be examining online patients with the help of sophisticated technology (Insha Allah).

Mission/Objective of TMDC Thakot:

Through, “the provision of exemplary physical, emotional and spiritual care” for our patients and their families, Our Physical efforts will directly contribute to the care of the most neglected and vulnerable ones in the region. Timely provision of highly specialized patient oriented health care services will ultimately reduce and change the health indicators.

Taha Medical & Diagnostic Center believes in excellence and leadership, will demonstrate this by providing exemplary health care services for each of our patient and their families.TMDC will ensure professional working environment where each family member is valued, respected and having access to equal opportunities for personnel and professional growth. TM & DC will strengthen working relationship with relevant stakeholders, will create a culture of self-assessment and social accountability and a tradition of caring.

Existing Capacity of the Hospital

Total capacity of the facility is 20 however currently 15 beds are available, three beds emergency ward, three beds male ward and four beds female ward, beside this at TMDC four private rooms are also available for those who can afford. Space for a one bed ICU and three beds for NICU is also available. Construction work of the laboratory is about to finish in a few days however TMDC has signed a contract with a local laboratory for filling the gap. Very soon TMDC will be having its own category A laboratory to be supervised by a well-qualified pathologist.

Available facilities:

- 1- Functional Operation Theatre
- 2- 24/7 emergency services, with the presence of a casualty medical officer supported by a technician, LHV, lab assistant, pharmacist and support staff.
- 3- ECG
- 4- Operational OT, best in the region where all minor and major procedures can be carried out if a GS and anesthesia technician is deputed.
- 5- 80% of the routine investigation is being done at the facility and with the availability blood CP analyzer this ratio will raise to 100% routine tests. 30 to 35% discount is offered on all investigations to all patients.
- 6- Pharmacy is operational around the clock, where a qualified guy is looking after

Plans for the near future:

- 1- Establishment of a two beds NICU, and one bed ICU
- 2- Expansions of services, like X-Rays, Color Doppler ultrasound and Defibrillators
- 3- Furnishing of two private rooms
- 4- Registration with Sehat Sahulat card.
- 5- Establishment of linkages with institutional donors.

Proceedings of the Inaugural ceremony:

Inauguration function was scheduled to start at 11.00 am on Friday June 24 2022 however it started little delayed, all the guest of honor participated. Tehsil Nazim Allai Mufti Gulamullah, Tehsil nazim Battagram Attaullah Khan Tarand, Rashad Khan Ex MPA PMLN from Shangla, Shah Hussain Khan ex MPA from Allai, ex.Senator Mulana Rahat Hussain, Professor retired Dr.Aziz ur Rehman yousafzai, Sahebzada Jawad ED Saiban mansehra, Akhtar Javed Khan a local development worker and PPP central committee member also participated. Anayat UrRehman, Hameedur Rehman, Sherazi, and Zam Zam page owner also participated and covered the proceedings. .

Around 150 elected representatives, civil society members, owners of private hospitals, Doctors, Ulama, Trade representatives and local elites of the area participated. Presence of both sub divisional chairman's (Mufti Gulamullah and Attaullah Khan tarand) multiplied the graced of the event.

The guests of Honor Mufti Ghulam Ullah and Mr. Attaullah Khan Trand Chairman Tehsil Battagram appreciated the efforts of Social services program and assured their unconditional support to TMDC and its staff. While paying a vote of thanks to the guests SSP Executive Director also highlighted the issue of electricity breakdown and requested both tehsil chairmen to facilitate. Mr. Bakhat Nawaz Khan and Shah Hussain Allai welcome the guests and appreciated the effort of TMDC team and SSP management. Dr. Aziz ur Rahman yousafzai in his conduding speech said that this is good opportunity for the local people and also a cost effective. Which will save their money and time rather than to travel to Abbottabad or other distention. Former Health Minister Shehzada Gustasip also addressed the ceremony and shared some valuable lesson learned and termed the proposed telehealth project historic one in the most neglected part of KPK. He also assured his support for the success of the project. While addressing the gathering Muhammad Rashad Khan Voice President PML-N disclosed that he already shared the TMDC application for exemption of tax and is under process at the federal level, While addressing the inaugural ceremony social services program Executive Director thanked the participants and that both SSP and TMDC teams will leave no stone unturned in coming up to the expectations of local communities. He dislosed that with the establishment of TMDC at Thakot has already reduced by 50% the health related expenses of the local communities especially of those who used to travel either to Abbottabad or Battagram for the treatment of their loved ones. From today onward they will be having affective and efficient health care services at their doorsteps at affordable price. The money they used to pay for transportation, with that money they will be able to examine and treat their patients at

TMDC Insha'Allah. We reached to this stage after years struggle under the umbrella of social services program.

SSP Executive Director Mr. Shafiq ur Rahaman Yousafzai shared the future plan and also shared the previous performance of SSP (Social Services Program Pakistan). The audience appreciated and assured their unconditional support for the project.

Closing Remarks by Professor of Psychiatry Dr. Aziz Ur Rehman Yousafzai:

Dr Aziz ur Rahman Yousafzai thanked the participants in general and particularly guests of honor and said that your presence shows your level of commitment with health sector and also love for humanitarian efforts. He further added that it's a big day and blessings for the local population who used to travel for hours to consult a consultant and from now onward they will be having access to young energetic and professional young consultants enjoying the same qualification. He requested the locals to come forward and own the hospital as this belongs to them and is for them. He also appreciated the management of TMDC and SSP for their sincere efforts and said that these sincere efforts will yield soon.

ہمارا مقصد

ہم بفضل خدا مریموں اور ان کے خاندانوں کے لئے مثالی جسمانی، جذباتی اور روحانی نگہداشت کی فراہمی کو چاہتی ہیں۔ اللہ تعالیٰ ہماری انتہائی نگہداشت کی خدمات سے اس خطے میں رہنے والے انہوں میں مستفید ہوں گے۔ طہ میڈیکل ڈائنامک سنٹر کی جسمانی خدمات سے زیادہ تر نگر انداز اور کمزور طبقہ مستفید ہوگا۔

TMDC مہمگی، شفافیت اور مریمیں پر مبنی خدمات پر یقین رکھتی ہے اور ہر قیمت پر مثالی صحت کی دیکھ بھال کی خدمات فراہم کرے گی۔ ہم ایک ایسے پیشہ ورانہ کام کرنے کے ماحول پر یقین رکھتے ہیں جہاں مریمیں کے لواحقین کی بھی قدر ہو، ہر شخص کو عزت سے دیکھا جاتا ہو۔ ہم ہسپتال میں کام کرنے والے ہر فرد کو پیشہ ورانہ ترقی کی ہر طرف مساوی مواقع فراہم کریں گے بلکہ ان مواقعوں تک رسائی بھی ممکن بنائیں گے۔ ہم اشتراک کار پر یقین رکھتے ہیں اور اس مقصد کے حصول کے لیے تمام متعلقہ شعبوں سے ترقی راہ اہل قائم کیے جائیں گے۔ ہم اللہ تعالیٰ ہسپتال کے اندر خود تشخیص، مہمگی جواب دہی کا پتھر فرد دینے سے اور دیکھ بھال کی روایات کو بھی قائم کریں گے۔

ہم اپنی صحت کو بحال رکھتے ہیں

خوشخبری

TMDC پاکستان کی طب کی تاریخ کا پہلا ادارہ بننے جا رہا ہے جہاں Telehealth Project کے تحت ہر دینی ممالک کے ماہر ڈاکٹر و مریموں کا آن لائن معائنہ کریں گے
